Date: 29.10.2024

Press Release No. 66/2024-25

Commission approves the acquisition of additional share capital of Agilus Diagnostics Limited (Agilus) by Fortis Healthcare Limited (FHL)

The Proposed Combination involves the acquisition of an additional 31.52% share capital of Agilus by FHL. Post the Proposed Combination, the shareholding of FHL in Agilus will increase from 57.68% to 89.2%.

FHL is primarily engaged in providing integrated healthcare delivery services such as medicare, healthcare, diagnostics and its businesses include managing and operating a network of multi-specialty hospitals and providing preventive healthcare and diagnostics services. The diagnostics services business of FHL is being undertaken primarily through Agilus.

Agilus is, *inter alia*, engaged in establishing, managing, maintaining clinical reference laboratories and other laboratories for providing testing and diagnostic services. It offers a range of routine and specialized diagnostics tests as well as wellness packages that cover an extensive range of specialties. It also offers a wide range of corporate wellness services and preventive care health packages comprising several pathology and radiology tests including home collection services.

Detailed order of the Commission will follow.
